2025 CSI ROCHESTER ANNUAL CALL FOR ENTRIES

ABOUT THE ROCHESTER CHAPTER CSI AWARDS

The goal of these awards is to highlight the role of how exemplary communication can positively influence the process, quality and successful outcome of a project. The awards program is unique because it provides a platform for the A/E/C industry to showcase the work of our members in the construction process. This includes communicating information of existing and new industry products, documenting solutions and implementing them in the construction process.

Projects, teams or individuals can be nominated. Do you have:

- A project that showcases outstanding construction documents?
- A CM team who carried an idea to an outstanding solution?
- A product rep who communicated information of their projects in an exemplary way?
- A construction support company who goes above and beyond?

If so, submit an entry to the 2025 Rochester Chapter CSI Awards program, sponsored by Rochester Chapter Construction Specifications Institute, and your project, Project Team or Nominee may win a coveted CSI Outstanding Project Design Award.

Deadline and Submission Information

Deadline for all entries is **5 PM MARCH 21, 2025**. We encourage you to submit nominations for all award categories that apply!

NOTE: ALL SUBMISSIONS TO BE ELECTRONIC via email to rfbilldevos@gmail.com

Submissions are to include:

- Completed nomination form (Project Team, Description, and Narrative can be under separate cover)
- (2) Combined PDFs; (1) Drawings, (1) Specifications.
- (10) Project Photos(jpeg).

Eligibility Requirements

The awards program is open to project owners, architects, engineers, product representatives, constructors and construction support companies. All projects must have been completed in the past eighteen months.

Awards Presentation

The awards dinner and program will be held Thursday, May 1, 2025, at the Strathallan Hotel & Spa. Sponsorships are available for the awards dinner. Registration and sponsorship information can be found on the awards dinner invitation and sponsorship packet.
